

Vision:

OmniTRAX, Inc. and all OmniTRAX-managed companies commit to develop and grow our competitive business advantage through leadership and excellence in Environment, Health, Safety and Security (EHS&S). This vision is realized through OmniTRAX commitment to the implementation of the Responsible Care[®] Management System. To achieve this vision we agree to adhere to the following policy.

Policy:

1. Integrate EHS&S in all aspects of our operations, and make EHS&S our top priority.
2. Establish and periodically review Responsible Care[®] Partnership Program goals, objectives and key performance indicators (KPIs).
3. Commit to continuous improvement in EHS&S, with the ultimate goal of no injuries, accidents, adverse health effects or environmental impacts.
4. Protect the health and safety of our employees, customers, contractors, neighbors and all affected by our operations.
5. Comply with applicable laws, regulations, codes and standards, and provide training and oversight to ensure compliance.
6. Establish and periodically test emergency response procedures to ensure prompt and effective emergency communication and response.
7. Ensure our facilities are built, operated, and maintained to ensure safety, security and protection of health and environment.
8. Protect employees, assets, information and the OmniTRAX corporate reputation by maintaining comprehensive security systems.
9. Integrate the Responsible Care[®] Guiding Principles into our decision-making.
10. Ensure our associates have the education and training to understand their responsibility and accountability for EHS&S sustainability and continuous improvement.
